**Please register** to attend the field demonstration by using the link or QR code. \*Lunch will be provided

#### WORKSHOP TOPICS

- Overview of the Agave genus (biology and physiology).
- Main agave species used in Mexico for the production of distilled or nondistilled beverages.
- Crop management and overview of various ways agave can be utilized.
- How transitioning ag lands to agave may qualify for MLRP funding.
- Additional opportunities to learn from local agave growers.

## **SUBMIT A PRE-APP NOW!**

MLRP pre-application is available now! The **first step** to participate in the MLRP Madera funding opportunity is to fill out and submit a pre-application form prior to the November 22 deadline. After pre-applications are reviewed, invitations will be sent to those who meet program eligibility requirements to begin the project proposal development process. Access the Pre-Application Form **HERE**.
