

MADERA COUNTY FARM BUREAU

It's that time of year again! The Madera County Farm Bureau is thrilled to announce the AG United Harvest Celebration, taking place on Saturday, January 18, 2025, at the Chowchilla Fairgrounds. This in-person gathering promises an exciting evening as we celebrate our members and mark 110 years of dedication to agriculture. The highlight of the evening will be an unforgettable performance by The Killer Dueling Pianos – a show you won't want to miss!

We invite you to consider becoming a sponsor of this highly anticipated event, which draws over 300 attendees from across the Central Valley. Sponsoring provides your business with excellent visibility within the agricultural community and supports the critical work we do to safeguard and uplift the industry.

Since our establishment in 1915, Madera County Farm Bureau has been a steadfast voice for agriculture, advocating for policies that protect farmers and ranchers while providing vital resources and educational opportunities. Today, we continue to address pressing issues such as sustainable water management, labor solutions, technological advancements, and regulatory challenges to ensure the future of farming remains bright for generations to come.

The funds raised from this event, including proceeds from the celebrity dessert auction, silent auction, and raffle, are essential to our mission: to preserve, protect, and enhance agriculture in Madera County and beyond. Your generous support enables MCFB to continue these efforts, championing local agricultural issues and fostering a thriving farming community.

Sponsors of the event will be prominently recognized across a variety of platforms, including marketing materials, our website, social media, and other outreach efforts. This provides a unique opportunity to showcase your business to a broad audience and demonstrate your support for local agriculture.

Please find enclosed details on the various sponsorship levels and benefits. If you're interested in sponsoring, complete the enclosed form and return it with your contribution to the Madera County Farm Bureau office by December 18, 2024.

Thank you for your support and for helping us champion agriculture in Madera County!

Warmest regards,

Christina Beckstead

MCFB Executive Director
