

MADERA COUNTY FARM BUREAU

September 15, 2025

Dear Friend of Madera County Agriculture,

The Madera County Farm Bureau is thrilled to be celebrating 110 years of service to local agriculture at our upcoming Ag United Harvest Celebration on Saturday, November 8, 2025, at the Chowchilla Fairgrounds. This annual event brings together more than 300 guests from across the Central Valley for an evening of great food, community, and entertainment — including live music by the Yard Dogs!

A highlight of the evening is always our silent auction, raffle, and celebrity dessert auction, which raise critical funds to support MCFB's mission to preserve, protect, and promote agriculture in our region. These funds allow us to continue advocating for farmers and ranchers on key issues such as water, labor, technology, and regulatory reform, while also providing resources and education to the ag community.

We would be grateful if you would consider donating an item, product, or gift certificate for our silent auction or raffle. Contributions of all sizes are deeply appreciated and will help make the event a success. Your donation will be recognized at the event, giving you excellent visibility with attendees while showcasing your commitment to supporting local agriculture.

Items may be dropped off at the Madera County Farm Bureau office, Monday through Friday between 8:00 a.m. and 12:00 p.m. Please submit donations by Friday, October 24, 2025, to ensure inclusion in the event program. If you need to arrange a pickup or schedule a drop-off outside of office hours, please contact our Grower Relations Representative, Anne Deniz, at anne@maderafb.com

Thank you for considering this request and for supporting the future of agriculture in Madera County. Together, we can make this milestone year a true celebration of our agricultural roots and community spirit.

Sincerely,

Christina Beckstead
MCFB Executive Director
