

MADERA COUNTY FARM BUREAU

Dear Supporter of Madera County Agriculture,

We're excited to invite you to one of the most anticipated events of the year — the AG United Harvest Celebration hosted by the Madera County Farm Bureau, which is happening on Saturday, November 8, 2025, at the Chowchilla Fairgrounds.

This year marks a monumental 110 years of Farm Bureau service in Madera County, and we're pulling out all the stops to celebrate with our members and supporters. The evening promises great food, community, and entertainment — including a high-energy performance by Yard Dogs that's sure to keep the dance floor full!

We hope you'll consider joining us for this lively evening and also explore becoming a sponsor of the event. With more than 300 guests expected from throughout the Central Valley, this is a fantastic opportunity to connect with the local ag community and support the vital work of the Madera County Farm Bureau.

Since our founding in 1915, MCFB has served as a strong advocate for agriculture — providing resources, education, and a voice for our farmers and ranchers. Today, we continue working on critical issues such as water management, labor, technology, and regulatory reform, all with the goal of securing a bright and sustainable future for agriculture.

Proceeds from the evening — including our always-popular celebrity dessert auction, silent auction, and raffle — directly fund MCFB's mission to preserve, protect, and promote agriculture in our region.

As a sponsor, your support will be prominently highlighted across a range of platforms — from printed materials to our website and social media — giving your business excellent visibility while demonstrating your commitment to the agricultural community.

Enclosed you'll find information on sponsorship opportunities and benefits. If you'd like to participate as a sponsor, please return your completed form and payment to the Madera County Farm Bureau by September 15, 2025. Please note that ticket prices will increase after October 15, 2025.

Thank you for helping us celebrate this milestone year and for your continued support of local agriculture.

Sincerely,

Christina Beckstead
MCFB Executive Director
